“ *Someone just told me that Chris had passed away. So, I'm sorry that this is late coming. I worked with Chris at KTPI FM when he was a board op on KVEC AM. We had some good times working together and I was shocked to hear of his death. It did remind me of one time when we were talking about life and our own mortality and he said that if the lord called him home, well, that would be okay with him. That assures me that he is at peace. My sincere condolences to Crystal and the rest of your family.*

“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
