“ *I'm sorry it took so long to find out he had passed. I met Jerry while i was in treatment 10years ago in Topeka. He was a good guy who always was there to listen and always put a smile on my face. I used to call him Pa because he always wore that floppy cowboy hat, and I would always see him around town in the most random locations, usually he was on his way back from a walk along the Shunga exploring for artifacts. Mason and Linda I don't know if you guys remember me, but you have my condolences, he was such a good man. I don't see bricks without thinking of him.*
