

Clifford Wright

June 1, 1954 - December 1, 2020

Clifford Harrison Wright, 66, Topeka, Kansas, passed away Tuesday, December 1, 2020.

Cliff was born June 1, 1954, in Detroit, Michigan and raised in Southgate with three siblings. Becky Henderson and Christopher Wright preceded him in death and Patty Fowler survives; as well as three nephews, David, JT and Jacob and their families.

In his early 20s, Cliff joined the Church of Jesus Christ of Latter-Day Saints and the missionary program where he served in the mission field for one and one-half years. He loved teaching the people of South Africa and also learning their culture. The last six months of the mission were spent in upstate New York.

Coming to Topeka in the 1970s, Cliff was employed by the Seven Up Bottling Company and the Sutton family for over two decades.

Cliff and Steve Gleason were partners in life for 34 years, and also in business, co-owning University Flowers at 17th and Washburn Avenue, since 1991.

Their great love for animals has been evident all their lives. Lucy, Chase and

Daisy Mae were at Cliff's side until he went to the hospital. They too were his faithful and loving companions who will miss their Daddy.

Cremation has taken place and a memorial service will be held at a later date.

Contributions in Cliff's memory may be made to Helping Hands Humane Society and sent in care of Kevin Brennan Family Funeral Home, 2801 SW Urish Road, Topeka KS 66614.

“ Steve, I'm so sorry that I just learned, today, that you've lost Cliff. He was so thoughtful and kind, a big "Teddy Bear". We'll always have the shared memory of my 2001 "wedding cake". You both got me thru that one, as you joyfully stated, "I love sugar roses !! " and ate the sugar roses off the top, so you could replace them with the beautiful flowers, as we had planned !!! Cliff and I just laughed. I'll see you, soon. Chrystal

“ Steve, I am so saddened and shocked to hear of Cliff's passing. Though I never met him in person, I have had many conversations with him over the phone. He was a dedicated man, who could lift my spirits, even when I didn't know that they needed lifting. Your beautiful floral creations have blessed our church for many years. One time, he sent me a small bouquet, as an apology, for an oversight in an order. I thought it was so kind of him to do that. He didn't have to, but did it out of the goodness of his heart. My heart goes out to you Steve, and your fur babies. He will always be with you in spirit, and know that you and the babies were so very important to him. He spoke so kindly of all of you in our many conversations.

*Love and Prayers from all of us at Our Savior's Lutheran Church.

“ Steve, I have started to write this a hundred times but can't find the words to express the sadness in my heart. I have thought of so many conversations we have had and just which one to tell. So this is what I have

chosen. I remember one day when you were not in the shop and we had this long conversation about him, his love for you and the relationship you shared. I will never forget it. It was honest, it was raw and emotional. He could make me laugh and make me cry at the same time. He was a good man that always tried to do his best. I know the last time I saw you two he didn't appear to be feeling well and I know the stress Covid had put on you and the shop. I also know you are facing two challenges, the loss of Cliff and carrying on his legacy in the shop. You will soon find while he is gone, he will remain in your heart and in everything you do. May God walk you through this journey. Your friends in the community will be there for you. We will cry with you and laugh with you because you were always there for us. It's our turn to give back to you. Hang in there. Lighting the periwinkle candle because Cliff would argue blue or purple! Love you Always.

“ Steve, I'm shocked and saddened to hear of Cliff's passing and my condolences to you and your family. I hope you are comforted by the memories of your life together. I remember him coming to the bank with you when you were still at Dillions and he was still at 7 UP. He believed in you and your talent and it was clear he was willing to do anything for you to live your dream.

He was such a bright light and will be missed.

“ Steve, family and friends- thought I can't claim to know you all that well, it seems like you've been on the outskirts of my social circle all my adult life. I so enjoyed seeing your smiling faces at the bi-annual White Cloud Flea Market. I enjoyed listening to you both discuss (and cuss) the prices on glassware in my dad's booth. And then... you created this beautiful arrangements for my step father to keep my mothers ashes in. It was like you too the ideas we had, even as many as there were, and translated them into a gorgeous masterpiece that still sits on a dresser in my step father's apartment. I've lost count of the corsages and other arrangements you've done for us throughout the years. Cliff was always smiling and trying to get you to as well, Steve. I'm thankful for having the chance to share space with such a kind and wonderful man. He's in Heaven now, tending the most beautiful flowers we will ever get to see. Jodi Adams Sturgeon

“ Steve, this is one of your past customers, Kimberly Draeger. I remember coming in and when getting flowers or ordering flowers, we would talk about our love for our furkids. I treasure the compassion Cliff and you provided me when I lost my husband in 1999. I was honored to have known him and be a recipient of his talent.

Your precious love has not ended. It lives forever. He is still with you, albeit in spirit. Steve, you are in my thoughts and prayers. Let me know if there's anything I can do.

Peace,

“ Steve, Darrell and I were so sad to hear of Cliff’s passing. We feel like the two of you have become friends, as we’ve come to your shop every time we have needed flowers for many years. It was always a joy to visit with you both....the light-hearted banter the two of you shared with your customers, and the obvious care you put into every arrangement, made it a pleasure to come into your shop. And, of course, we got our little Sammy from you! Our hearts go out to you and hope that you will find peace as the days and weeks go by. You will be in our hearts and prayers.

“ Dear Steve, we are heartbroken to learn of your loss!! I met Cliff in 1983, and have considered you both friends ever since! As life partners you balanced each other perfectly, and with such love and dedication I've always admired you both so much.

Cliff has made me laugh when I felt like crying, and hugged and cried with me when I needed it so much! He has been this big "open book, tell it like it is" presence for all!

Steve, you and Cliff have done so much for others....please know you are in our prayers and we are here for You if there is Anything we can do.

“ *It's hard to believe Cliff is gone. I just saw him when I was in the shop ordering flowers for a retirement event set for December 1. You two always held a special place in my heart because we have a gay son that just married last month. I was just one of you customers so we didn't know each other well, but I always looked at you two as a wonderful example of living your lives with authenticity and I could always see the love you had for one another. Our hearts go out to you Steve.*

“ I've known Steve and Cliff for well over a decade and have considered them both as close friends for almost as long. Cliff's big heart and friendly nature -coupled with a mischievous streak- made for many fond [and some funny] memories, Like the time he presented me -with a straight face- the saddest, most wilted bouquet of flowers ever dug out of the trash and stuffed back into a vase. But he took pity on my crestfallen face and quickly leaned down to pull a magnificent bouquet from it's hiding place to take its place. He could easily have prolonged the prank for an additional 15 seconds but his inherent kindness kicked in. Cliff, I'll miss you but I won't forget you.

“ I remember first meeting Cliff, around 1978, and him letting me listen to his album Eve by Allen Parsons Project; through the years sharing genuine heart-to-hearts and many funny stories, and what a great laugh! He loved our mama and she loved him and treated him like her own. We equally fell in love with you Steve, and my heart breaks for you buddy. You two have shared in our family's joys and sorrows and I pray peace to you and the other members of Cliff's family. He will sorely be missed!

“ So very sorry for your loss. I loved calling the store to order flowers, and visit with Cliff. And boy he could talk!! He literally cried with me when I spoke of the loss of my little girl, my favorite four legged buddy. He loved his dogs so very much. I am not sure he ever knew a stranger.
