“ *Karla and I were neighbors on 33rd street. Sadly Karla passed away 10 years ago. I remember Al and Alice as kind and loving neighbors. We shared many a visit and laugh during the years that we lived next door. May God bless Alice and the family. I miss you all.*

“ *The Calhouns and the Marcums along with other Campers on Mission spent several winters together in Mission, TX doing volunteer mission work at Valley Baptist Retreat. Enjoyed our friendship with Allen and Aice there as well as in Topeka, where we got together with others and played games for several years. He was always a hard worker and loved to play games.! He will certainly be missed. Our thoughts and prayers for Alice and his family.*

The Calhouns and the Ushers were among the charter members of Ks/Neb COM so we have so many good memories of Allen and Alice. Wish we were able to attend the services for Allen. Our prayers are with Alice and her family.
