“ Clyde was a good friend as I learned to know him in 1971 and he will be missed. I enjoyed quoting scripture with him and sharing our faith on many occasions. One of the best things he ever did for me was selling the land to me and now my son and grandson are enjoying it too. This land has been such a blessing to us and a special thanks to the family for selling it to us. Our thoughts and prayers are with the family. The Harold Winsinger Family.

“ Our condolences to Clyde's family. We've been Clyde's neighbor for some time. I always enjoyed talking with Clyde and learned a lot from his stories.

He was always willing to lend a hand and, even last year at age 86, he hopped on his tractor during a rain storm and tried to pull a truck stuck in the mud out of my yard.

Clyde had very much concern for his fellow man and the world as a whole. He set a good example of how a person should live.

“ *He was known to me as Uncle Edgar. The sweetest, most caring person I've ever known. Never had an unkind word to say about anyone and always thanked you for calling or coming to see him.*

My family and I will truly miss his presence in our lives.
