“ *Hugs, thoughts & prayers to all of Connie's family! I worked with her starting in 1986 (for several years) & she was always a great friend of mine - even though we weren't as close throughout the most recent years. I always took my kids (when they were growing up) over to her house every Halloween so she could see their costumes! She will always be in my thoughts! She will truly be missed! Take care! Best wishes! Sheri Saville*
