“ Please deliver this message to Mike Robinson.

Dear Mike - I am frequently out of the country and have just recently caught up on back editions of the Stockton paper. Thus, the delay in my writing regarding the death of your Mother.

I want to say, that Linda and I had a wonderful relationship with your parents, especially when we were first married and had moved to Topeka. Your folks, more or less, took us under their wings and did many acts of kindness for us.

We fondly recall riding out to Stockton with them -- several times during the period between late 1960 and 1965. We did not have an automobile until my senior year in college.

Plus, your dad accompanied us to Marling Department store to assist us in buying furniture for our first, on campus, apartment. His influence with the salesperson, who he knew personally, got us a much better deal than had we walked in off the street. Of course, he picked us up and drove us there and then back to campus.

And, the meals your Mother prepared for us. It was never unusual to get a call on Sunday morning asking if we would like to come out for Sunday dinner. To my knowledge, we never declined.

When our first daughter, Tammy was born, they were always available to offer advice and of course to assist the other grandparents in spoiling her.

Please accept our sympathy for your loss. Your Mother and your Dad were terrific people. We remember them with fondness and will miss them.

P.S. We saw Annette about a month ago and she informed us that her Mother, Dottie who was Cora's good friend, had just passed away in May. I imagine they are together at this moment looking

downward as I prepare this message.

Best regards,

Mark and Linda Krysl

“ *Mike and Family,*

We have been out of town on vacation and so sorry to hear about Cora. She was quite a lady and will be sadly missed. Hold on to all your good memories. She was very proud of her son and grandchildren.
