“ John, Janie & Family,
I am so sorry to hear of your loss. I'm sorry that I never got to know Corey that well, but from what I have read online he was an outstanding person and very loving father. I have been thinking and parying for you and your family and Corey and his children ever since Dee sent me an email concerning what had happened. I hope the police move swiftly in this matter. God will get you through this. When I lost Mom & Dad within 14 days of each other, God was the one that helped me during my time of need. You all are in my daily thoughts and paryers. My God bless you all and get you through your time of need.

I did not care it was still funny.Im going to cherish all the good times I had with Corey.And I will never forgot you,brother!

“ JB, I am praying for you and your family in this time of need. I
remember Cory, sitting behind him at church and being restless, like
all youngsters are, now seeing this, all grown up. GOD will comfort
you and hold you up, when you feel you have no more strength to
hold yourself up. I give you my Lord, JESUS CHRIST, HE WILL
always BE THERE, for you, your family and his children!
