“ *A flood of memories came back when I read of Dan's passing.....hanging out in that big ol' house, running around the Potwin neighborhood, that yellow SS Chevelle, playing softball, and most of all that big smile and laugh.*

May God Bless Dan and God Speed his loved ones, family, and friends through these trying times.....we'll all meet up again one day my friend and have some more good times.

“ I am very sorry to hear of Dan's passing. I knew Joel and Brad in high school but I met Dan in 1975 in Petersburg, Alaska. He and Debbie were active parents at Jardine Middle School when I was principal there. I haven't seen him many times since those days but he was a friend to me back in those early Alaska days. I'm sorry for your families loss.

I was so sorry to hear of Dan's passing. Thought and prayers go out to Debbie and family. Dan and his brothers worked for my dad at Plaza Standard at Huntoon and Lane for many years. Dan was born 1 day ahead of me and his mom and mine were in the same hospital room together. This was an ongoing joke between Dan and I. He will be sadly missed.

Jan and families,

I am shocked and saddened reading the newspaper today. For some reason I had just thought of Dan and a few other "Rough Riders" the other day.....Roosevelt Junior High, 9th grade we sat together in Mr. Claunch's Algebra class in 1969-70 and had many laughs. Dan had very short hair in the summer after 8th grade when everyone else's was long....I remember thinking even then how he was okay being himself.

God Bless Dan, his wife, sons and siblings along with the many, many others whose lives he touched and who will miss him.

Dear Latta family,

I am so sorry to hear of Dan's passing. He was just one of Jan's big brothers to us, but always seemed to be a lot of fun. God's peace and comfort to all of you at this time.

Debbie and families,

I am so sorry to hear about Dan's passing. We had so much fun in our group growing up going to Potwin, Roosevelt and Topeka High. He always made me laugh whenever I saw him bringing up funny stories about people in our past. I will miss those conversations with him and his sense of humor.
