“ *Tania and family,*

We are so saddened to learn of Danny's passing! We were holding out hope that somehow what we feared in seeing the emergency vehicles and activity across the street wasn't true! We had only just begun to get to know Danny as our neighbor, but he was the kind of person you could tell upon first meeting was genuine and caring. We have felt nothing but welcomed by both of you, and we hate knowing that you and your children are going through such a difficult time, and have lost such a loving husband and father! May memories comfort all of you at this time! Please know we are here for you in whatever capacity you may need! Our thoughts are with you!

“ Tania, Sarah and family! I first met Dan while working for Protection One at Westar, we worked in the finance department that did both Protection One and Westar auditing. I don't think I ever remember a day that he wasn't smiling. Whenever I stopped by the liquor store he would always ask how we were doing or how our kids were doing. The world was a better place because of Dan an I feel blessed to have known him. He will be missed many! I will keep you all in my thoughts and prayers!

“ Dan was such a good man.... He was always a good coach to our daughter and he loved doing it.... Every time our kids got together to play we never worried. Dan and your family are good people. Dan will be missed by many. As our kids got older we see each other less. Although, we still would see Dan at the Liquor store; he never forgot our faces or our names. We all enjoyed the conversations with him he will be greatly missed.

“ Dear Tania, Sarah, Ryan & Andrew: We are all so sorry about the passing of Dan. We couldn't ask for better neighbors. We will miss seeing Dan in the yard working on a project. He always had time to stop and talk and it was inevitable that we would leave the conversation laughing due to a funny story that Dan had to share! Todd was especially happy to see Dan enjoying his Harley and I know both of you had great times going places on it together. The last conversation I had with Dan was how proud he was of his kids. We all miss him and want you to know that we are here for you.
