“ We are so sorry Katt & Jerry. Darren loved to fish with Dakota because he was just a little guy when Darren asked if he could take him fishing in our pond.

“ *The loss of a father  
Is a heavy burden to bear.  
He's a source of quiet strength  
That is so missed when he's not there.*

*Take comfort he's in Heaven,  
And looking down at you.  
He'll be there through the coming years,  
Watching over and guiding you.*

*He's your very own guardian angel,  
And he'll be with you to the end,  
When you meet again in Heaven,  
And your broken heart will finally mend. Dakota your Dad loved you  
with every breath he took always remember that and the good times  
you shared with him. He's always with you now watching over you.  
Darren will be missed by many. Finding comfort knowing he's no  
longer in pain. Praying for all the family and friends.*
