“ *Dear Mary and Family, I was saddened to read this morning of Daryl's passing. Although we had just started to get acquainted these past few years in sharing family history as well as various passions on cars, the law, and sports, I so regret that we didn't get together when I visited Topeka last October. Keeping you all in my prayers,*

Dear Mary and family,

Don and I have been trying to call to talk to you, but could not get through, so decided to e-mail a note.

We were so sorry to read about Daryl's passing. Words can say very little at a time like this, but knowing people are thinking of you and praying for you, maybe helps. We hope so. Please accept our deepest sympathy.

Remember the good times we had at your place with friends, plus the wonderful food.

If we can do anything, please call.

Sincerely,

Don and Jackie Petersen
