“ *Sheryl and family: I can't remember a time when Dave didn't have a smile, a chuckle, and a good word to extend to others. Helped pick grapes one year with him and come to appreciate the hard work and hours of labor that he put into a project he loved. Dave was responsible for teaching our granddaughter, Chelbe, how to pitch softball and she earned a scholarship to a community college because of Dave. He was a great guy and a mentor to many young athletes. So many were blessed to have his passion of softball passed on to other generations. Dave was the sweetest brother-in-law ever. I wish he was still here with all of us, but I feel great joy that he suffers no longer and enjoys the pleasures of heaven that he deserves. I have no doubt he is teaching the angels how to play ball. Rest in peace Dave. You will be missed by all.*

“ *Dave was a great guy, a smile on his face and a cheerful greeting for all. If a man is measured by the number of friends he has, then Dave was a rich man indeed.*

“ I'm SO sorry to hear about Dave passing. He was a fantastic person and friend to all who met him. Great advocate for Mens Fastpitch Softball in the Topeka area, until the days it slowly faded out and went away. The last meeting we had trying to revive the dying Mens league in Topeka ended up being just Dave and I and the Parks and Rec person. That was about the only time I can remember ever seeing Dave look sad as we walked out talking about how great a game it was. He will be missed by all who knew him.

“ Our heartfelt condolences to the Cairns family on Daves passing. He was a great man with many friends. He was instrumental in promoting the fledging wine and grape growing industry in Kansas. Like many others, he got us started making wine and growing grapes. He had that wonderful smile and was always pleasant in good times and bad. Jane and I send you our thoughts and prayers.

“ My condolences to Sheryl, Shelly, D"Ann, Carrie, and Cory. I was so sorry to hear of Dave's passing. I, of course, first met Dave at the girls' softball diamonds. He and I served on the board and spent many hours with softball at Lake Shawnee. He donated many years to Shawnee County Girls' Softball coaching and working to improve the complex. His smile and personality made him popular with the girls he coached and the people he came in contact with at the diamonds. When Shelly played for me on the Dingbats I came to know all of you. You have a special place in my heart. My thoughts and prayers are with you. Hang on to all your fond memories, as he's always watching over each of you. Shirley Johannsen

“ To Dave’s family, thank you for sharing him with us. I’m proud to have been part of his early coaching days. He took a gaggle of preteen girls and taught us softball and life lessons too! Sportsmanship, hustle, & teamwork were high on his list. I cannot look back on childhood memories without seeing our many summers of softball. I can even vividly recall our road-trip to Greensburg for a weekend tournament. May your faith & good memories hold him forever in your heart.

*Want to extend our deepest sympathy to the Cairns family. Dave was one of the best friends that anyone could possibly have. He always greeted you with a big smile and always had something funny to say. We knew Dave at the ball fields and at the railroad. Always enjoyed talking to Dave about our ball teams, his vision for his grapes, our childhood coming from a small community and our families. I learned a lot from Dave when he was my mentor when I first started working in the IT department at the Santa Fe railroad. Dave will be greatly missed by his friends and anyone who knew him.
