“ My condolences to the Dammann family. I'm so sorry to hear about David's passing. David and I knew each other since grade school when we went to Faith Lutheran Church together. In high school we worked at Sirloin Stockade together and become good friends and date for awhile. We went to the prom together our junior year. David and I had some fun and memorable times together. He will always hold a special place in my heart. I'll see you on the other side, rest in peace David.
