“ *I was visiting my parents, Joyce and John Kane, in Topeka last week and saw David's obituary in the paper. We lived across the street from David, Dennis, Danny and Doug in the 1950's. We lived at 700 Clay St. Patty Morrissey and I often played with the boys and I remember David and his sweet and courageous spirit. He was always part of the group and kept up as best he could with his brothers. I have thought of him often over the years and wondered about him and where life took him. I was shocked and saddened to open the "Capital", and see that he had passed away. My condolences to his family. He always had a twinkle in his eye which seemed to show how much he enjoyed life.*

“ I was very sorry to hear Davy died. I worked with him at Por'e Richards for many years. You can be very proud of how he conducted himself in the workplace. He was always pleasant and hard-working. Despite his disability, I don't ever remember him missing work. I am sorry I was unable to attend his service, but I will be thinking of him and his family. A memorial contribution will be sent to Capper's in his memory.
