“ *Your mother was such a precious soul who lit up everywhere she went. Always with a smile and kind words along with her strong faith she exemplified the true Christian person God wants us to be. The world has lost a beautiful, kind person but she's left behind love in the hearts of the people who knew her. I will miss seeing her. My prayers are with your family.*

“ *I knew Dawlat from my working days at Social and Rehabilitation Services. She was a sweet and kind lady who brought joy to everyone in the work place. She was very proud of her three daughters and loved sharing their accomplishments with us. May her family find peace and comfort at this sad time. God bless.*

“ *In Loving Memory*

She was always kind, generous, and full of grace. I'll never forget how, during a visit to Egypt, she took time out of her holiday to check on us while my mother was unwell — it meant so much.

When I got married, she brought me beautiful gifts from the U.S. and made me feel truly special. She always encouraged us to grow, to dream, and to believe in ourselves.

She was so happy when she heard my son had been accepted into the Faculty of Medicine at Ain Shams University, and she encouraged us to consider opportunities abroad.

Her warmth and love will stay with us forever.
