“ *Always enjoyed seeing Debbie helping at, it seems, every SHHS function I went to and walking at the lake. She was so friendly and easy to talk to, obviously happy, and very proud of her beautiful daughters. She will be missed by many. She was a strong, caring woman and lived her short life well.*

“ Dear Andy, Alex & McKenzie I had the pleasure of working with your mom at North and she was such a bright light at work. Always so kind and had a smile on her face no matter what. I got the pleasure, thanks to Pam Richards, of walking with your Mom a lot this fall and got to know her so much better. I could hardly keep up with her, she was one strong woman. My heart goes out to all of you at this time and I will keep you in my prayers for strength and peace during this time.

“ Andy, Alex, and Kenzie. Deb was one of the sweetest persons I have ever met. She was always a pleasure to be around at the softball games and every time I ran into her she always went out of her way to speak to me. This is a real loss for this community because of the love she gave. All we can do is try to fight the beast (cancer)and maybe one day great families like yours won't have to go through this kind of pain. My sincere sympathy goes out to you all. “ Andy, Alex, McKenzie, Ray and Fran - Debbie was a long-time friend and we are so sorry for your loss. She and Millie (AT's sister - we lost her 20 years ago) were best friends and we so enjoyed seeing her over the years - we would laugh about some of the crazy things she and Millie did as they were growing up. We will always remember Debbie for her kindness, her strength and her humor. She always wanted to make everyone else feel better. Our thoughts and prayers are with all of you. AT and Sue Wheatley

It is these qualities that made Deb such an extraordinary individual to be associated with. Know that your are in our prayers!
