“ *To The Family:*

*I would like to express my deepest sympathy to each of you.*

*Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death.*

*At Matthew 6:10 Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens.*

*The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman.*

*That Kingdom will be a reality here on the earth.*

*The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. (Revelation 21:3-5)*

*He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live in heaven-like conditions right here on the earth. (John 5:28,29; Psalms 37:29)*

“ *Moe, I love you so very much and I'm so so sorry that I haven't had the chance to hug you recently. I know it was hard for you and your family to go through this past year and I bet Bud wouldn't be able to think of any nurse to take better care of him than you. You are such an amazing person with a wonderful heart...your family is truly blessed to have you,(we all are) as you are to have them. I hope you find some comfort in the words of people who LOVE and care for you and your family. Especially because the holidays make every memory harder. We LOVE you Moe, please ask any of us if you need anything, no matter how small. May God's grace shine on you all eternally, Elena J. Barnes*

“ As Bud's struggle with his illness drew to a close, we watched the four of you move close to support him and each other. Keep leaning on each other, and it will ease the pain of your loss. Together you have many wonderful memories of Bud, which means he will never be far from your hearts. Keep those memories alive and pass them down to Laura and Dalton, and the grandchildren to come – tell them the stories often. You are most definitely in our thoughts and prayers. And you know if you need anything at all, no matter the time, all you have to do is call us.
