

Delores "DeeDee" Spiller

September 2, 1960 - August 25, 2022

DELORES ANN SPILLER, 61, Osage City, passed away, surrounded by her loving family at a Topeka hospital on Thursday, August 25, 2022.

She was born in Burlingame to Horace Anthony and Norma Jean Holstrom on September 2, 1960. She grew up in Burlingame and graduated from Burlingame High School in 1978.

After high school, she married and had her two boys. She divorced their dad and later married her daughter's dad. They also divorced.

DeeDee's life was full of adventures! She moved around quite a bit, working in various nursing homes and home health care settings. She met Thomas J. Spiller, III during a stay in Larned, Kansas and they were married and moved to the Silver City, New Mexico area, Tom's home. He later died there.

Following Tom's death, DeeDee continued to move around New Mexico, Oklahoma, and Kansas for many years, working in various home health care settings. She finally returned home to Kansas and was living in Osage City at the time of her death.

DeeDee was loving her Lord and her life, gardening, and her family (not particularly in that order).

In addition to Tom, she was preceded in death by her parents, her granddaughter Haley Jade McBurney, and sister Donna Meyersick.

She is survived by her sons, Gary McBurney (Heather Edmonds) in Topeka and James McBurney (Priscilla Dominguez), Deming, New Mexico; and her daughter, Jessica Ramirez (Josue) in Lansing, Kansas; 22 grandchildren; and two great-grandchildren. Her sisters, Debbie Romine (Bryce) from Lyndon, Kansas and Darlene Atchison (Tug) in Burlingame also survive.

DeeDee loved being outdoors so much. We will have an informal celebration of her life for family and friends at Sumner Park in Burlingame on Wednesday, August 31, at 6:30 p.m. Everyone is invited to stay for fellowship time following. If you would like to bring a favorite dish (especially if it's one that reminds you of DeeDee) to share, that would be great! Table service will be provided.

Her spirit has been set free and her ashes will be released to re-join with Tom in New Mexico at a later date.
