“ *Geography and life have a way of limiting the amount of time spent together in large, spread out families. I wish it were easier. I do have many fond memories of time spent on the farm with Dee and family. Dee was very special to our mom, Hope, and to the entire Roach clan. Dee will be missed by all. You will all be in our prayers.*
Love, Sheldon

“ *Dean, Steph, Buba,*
We will always remember the good times our families have shared with each other. Dee was a best friend to many people, including us. In November of 1968, on a pheasant hunting trip to Western Kansas. Dee and Pam, bonded over the sink cleaning birds. (We had never met each other until that time.) We were both newly wedded brides and didn't know any better. Together we learned and neither of us ever cleaned a game bird again! We love you all and so sorry! Pam

“ *Dear Family,
I hurt for your family at this time of loss. I know Dee loved her family and was so proud of each of you and was a great Christian example to each of us.
Dee knew no strangers and could strike up a conversation with anyone and share her love with that person, so much like Christ would do.
We would laugh together and I will remember the last time I was able to sing with her while she played the piano and she never missed a note. Now she is in Heaven just grinning from ear to ear and singing her heart out!
This photo shows her youth and vitality and her love through those beautiful eyes!
Love to all,
