“ *I am very sorry for the passing of Denise. I offer my sympathy to Mike, to John, to Dan, to Jim, to Carol, and to Mr. Hart. I worked with John and Denise in early language development in the Infant and Preschool Program at The Capper Foundation. Denise was a wonderful Mom with good humor, good listening and generating ideas for intervention, and good patience. I am fortunate to have enjoyed a continuing friendship with her, with Mike, with Jim and a good association with the family. I am most grateful.*

“ *How sad and shocked I was to go to church today and read in the bulletin "Prayers for the Denise Parker Family". I used to babysit Denise. We sang in the church choir and later in special choir events when her dad would invite the family to join us. Did not realize she was that sick although saw her at her brother-in-law's funeral in a wheel chair. Know all the family will miss her. My sympathy and prayers.*

“ *Mike, we are so sorry for your loss. Kevin O'Brien told of Denise's passing and then we saw it in the paper. Though we haven't kept in touch over the years, we still have fond memories of you in our heart. God bless you.*

“ Dear Mike & Family... I was in Texas when I received word of your loss of Denise. I am so sorry and want to extend my sympathy. It was a pleasure to work with Denise at Lincoln Center, and I know that she touched the lives of many patients and everyone who knew her. I recall the many conversations with her about hockey while visiting the Urish office. God Bless!!!

“ I adored Denise. She was by far one of the most loving and gifted women I have ever known. My greatest memory was having lunch at Annie's with her recently. She was an inspiration to all that had the privilege to know her.
My thoughts and prayers to her family that she loved and cherished.
I will never forget the moments and laughter we shared.
Love, Peg

“ Mike, John, & Dan - We are so sorry for your loss. We certainly enjoyed being neighbors over on 35th Street for 20+ years. Enjoyed visiting over the fence about our yards, children, school, your travels, and many other things. Had fun watching the boys grow up there. May God bless you and comfort you.

“ I have many good memories of working with Denise. She introduced me to one of my favorite Victorian detective book series. I'll never forget her laugh echoing through the clinic or her ever present smile! She touched so many people! She will be missed!
