“ *Dennis was my good friend, he will always be remembered as one of the most loyal and valued friends of my life. I've known Dennis for the last 15 years, worked with him, visited, socialized, and talked with him often. He was a great friend to me and I will really miss him. He was a good hearted soul and cared very deeply about his family and his friends. I'm grateful that I was able to talk to Dennis very recently, I'll miss our conversations but will never forget my friend. Best wishes to the Mohwinkle family and rest well my good friend.*
