“ To all of Dianes family, I am so very sorry for your loss. Diane was a wonderful neighbor and friend. I enjoyed visiting with her, Ed and little Frankie when they were out walking around the block. I loved her kindness and her sense of humor. Such a blessing knowing her and calling her my friend. She is missed terribly. Hugs and prayers for all of Dianes family thru this sad time. “ Daryl and Kristine - I am so sorry for, and so saddened by, the unexpected death of your mom. Growing up beside you, I got to see so many times what a wonderful, kind, generous person she was. As life has continued, she always took time to talk, catch up and be genuine. Her true love for you and your families was always on display. She was a shining light. I know the wonderful memories will keep her light shining. Love and prayers to each of you and your families.

Daryl, and Kristy, i am so sorry about the loss of your mom, who was a 2nd mom to me. As of kindergarten, my whole entire childhood was living 2 houses down from you guys. I remember the very first day i ever saw you guys, yelling across the Waterworths yard “meeting” you, and from there we were always at one or the others home all the way through high school. Your mom was a wonderful person. She will be missed a lot. Sending prayers for all of you, and Ed, and his family.

Daryl, Kristine and family: I'm still in disbelief each time I look out my back door. I'm used to seeing your mom working around in her flowers, mowing in her hat and hanging out her bed sheets perfectly clipped to the clothes line. She was a delightful neighbor and I will miss her. Please accept our condolences and know your family are in our prayers. 🙏🕊️

Daryl and Kristine and family: It's still hard to imagine she is no longer with us but she will always be a part of each of our lives. She was one of the first persons to befriend me when I moved here 35 years ago. She was an amazing mother and friend. The last dance came way too soon!!
