“ *Condolences to Dixie's family from a former co-worker at Southwestern Bell. Dixie was a pleasure to work with - one of the good ole employees you could always count on to do what was needed to take care of the customer and to assist fellow employees in succeeding. Thanks for sharing your Mom with us. With the passage of time, may you find comfort in special memories of your time spent together. Very sorry for your great loss. Debbie Vignatelli*

“ Having grown up in the tight-knit community of Radium. Kansas, Dixie represented the very best of small town virtues. Hardworking, honest, kind, smart, and funny, she made an impact on all who knew her--friends, colleagues, and family. She was a wonderful mother and a magical grandmother!

She will always be appreciated for keeping our beloved Radium community alive through her organizing the alumni banquets and publishing the Radium blog. She will truly be missed.

“ My deepest sympathy for the family of Dixie.

I spent many years working with Dixie at SWBell. We always knew, if it was a job from Dixie, the details were ready for action and we had not need to question. She was a leader with a humorous heart and I truly loved working with her. My prayers are with you.

“ We will miss Dixie smiling face.
Yesterday, Dixie stood before St. Peter.
“What do you have to say for yourself, young lady.”
“I took care of my family, and I brought joy and happiness to all I met.”
“That you did. You were a single mother with three kids, and you did a splendid job. Life gave you a lemon and you made lemonade, lemon pepper chicken, and lemon meringue pie. Yellow became your favorite color.
You earned our 5-star accommodations. So, go forth. Many of your family and friends are waiting for you, and you will be amazed by what they have to show you.
Good work, my true and faithful servant.”
