“ *I met Dorothy and Hip about 3 am after flying to Wichita meeting Jess, my husband and her brother, going by bus to Emporia. I was 7 months pregnant and terrified out of my mind to meet my in laws for the first time! They opened their home to me and were so wonderful. Jess went to sea 3 days before our daughter was born . I felt so scared and alone and they did all they could to calm my fears. Over the years, Hip and Dorothy were wonderful and now they are back together. God bless you both/

“ My thoughts have been with you all since I heard this sad news. I had the pleasure of getting to know Dorothy better on a trip to Jenna and Roberts last September. She introduced me to Roscato wine "Yum" and made us some amazing Mexican food, again "Yum", and we learned to play some poker together. I am glad to have these memorie. You will be missed Dorothy Hudson.
