“ *Dear Millie and family:*

I wanted you to know I was thinking of you and your family. Words can say very little at a time like this, but knowing people are thinking of you and care, maybe helps. I hope so.

I know you all have wonderful and fun memories of Don. I just knew him a short time, but Millie your THS Class of 52 really appreciated what Don did at our reunion banquets, when he came up to be our auctioneer.

Please accept my deepest sympathy on the lost of Don.

Sincerely,

Jackie Mills Campbell Petersen

“ Cheryl I don't know what to say to ease the pain you are feeling right now so all I can say is remember the good times you had with your DAD and keep in mind that he has gone to a better place and you will see him again one day.

It is never easy to lose someone so very close to you but experience has taught me that time does dull the pain somewhat.

May GOD be with you and your family this week and in the weeks to come.
