“ To all of the Fraley family,
All of you will be in our thoughts and prayers. Don will be missed very much, but it is so good to know that he is in a much better place and without the frailties of this life. It is so hard to let a loved one go, but it makes it a little easier when you know they were prepared and are at rest.

Love,
Robert & Marliyn

“ To the Fraley families

We will truly miss Don but are happy to know that we will see him again one day.

"All that pleases us is only for a moment"

"All that troubles us is only for a moment"

"All that matters is that which is eternal."

We loved Don and know that he is in the arms of God. He was a precious person with a very large heart and a man that loved his family very much. May God be with you during this time of grief and know that you are in our thoughts and prayers.

Love,
Allen & Lea

He is at rest with His Lord now and we are grateful that he did not suffer pain in his passing. We will always love him and miss him. “ I was saddened to hear of Don's passing. My fondest memories were when we lived in San Bernardino and we went hunting and also working with him here in the shops in Topeka.

My deepest sympathy to your family.
