“ Roseanne,
We were saddened this morning to read of Don's passing. Although
it's been many years since we've seen you, the memories of our
acquaintance with you and the "Live Free Gang" are still with us and
we treasure those times. Our thoughts are with you -- may you find
comfort in the love of family and friends.

“ Rosanne and family,

With great sadness I learned of Don's passing, he was such an inspiration. I enjoyed him from the first time we met and watched as he so bravely fought his cancer.

My cherished memory of him was the year he bought the bracelet for you. He was so excited and his eyes twinkled as he plotted and planned. It was obvious you two shared a special relationship.

Please know we care and will be here for you.
