“ Dear Friends and Family,
Your kind words and gifts of love are deeply appreciated. You are God's instruments showing his care, his compassion his concern. Thanks for the beautiful flowers, the kind notes and for reaching out to us during our time of loss. God gave me the grace and strength to share my fond memories of the gift from God that my father was, both in my life and in the lives of many others. I didn't get to it - but wanted to mention that the last thing my father taught me was to not be selfish - as I learned to care for him and his needs above my own. May God's grace and love shine in your lives in Christ Jesus in the days to come. With all our love, Randy and Bertie and family.
