“ *Nancy, I was so sad to hear about Don. I always enjoyed having Don in my water class at the Y. Don had a great sense of humor and gave me plenty of reasons to smile. I was told that he slipped away in his sleep, the exact way my own Dad did. Although it is a difficult thing for family, I believe it is the most painless and easy manner in which God calls his special ones home to be with him. One final breath on earth and then in the presence of Christ.*

*I pray you will feel the love and comfort of God surround you at this most difficult time.*

“ Nancy and family--We were so sad to hear of Don's passing. He was a special friend and we have many fond memories of times spent together. The trip to Hawaii, New Theater trips, movies, game nights, his 80th birthday, your 50th anniversary and the list goes on. We are so glad that we were able to play some games of Skipbo on Tuesday. We are praying that God will give you comfort during these difficult days.

“ Our hearts go out to Nancy, Kevin, Kyra, and the grandchildren at this sad time. We're remembering Don's sense of humor and all the good times with him . . . his 80th birthday party, swimming at the Y, playing Skipbo, bus trips to KC, enjoying the Festival of Singers, and the movies, just to name a few. God bless Don's family. Don is experiencing eternal peace.
