“ *I have known Don Lowe for a long time. I first meant him when I was having lunch at the Jayhawk Tower. We had lunch together many times afterwards. On one occasion he mentioned he would go out to Hill City, Kansas to work on taxes, I asked him if he ate at Buck's Grill, he said many times. It is a small world as the owner of Buck's Grill was my Uncle Buck Bethell. Over the past years I would stop by and visit with him from time to time. It was joy to visit with Don and I will miss him. My Condolences to the family.*
