“ *To Molly, Penny & Polly, Randy, Bruce & all your families I extend my condolences in the loss of Don. He was such a wonderful person & gentile man. I was 16 & had my 1st unbroke horse & remember Don "test driving" him (Pete) to see if he was going to buck when I started breaking him to ride & all the good times spent horseback riding with the girls & other neighborhood kids at their dairy farm when they were our neighbors at Holton. What fun we had in those days & occasionally babysitting with their kids. A lot of wonderful memories. My love to Molly & all the family, you are on my heart & mind as you go thru this difficult time. Linda (Bo) Fisher.*

To The Family of Don Morris,

My children and I want to express our sorrow on the passing Of Don. Words say very little at a time like this, but knowing friends and loved ones are thinking and praying for you maybe helps. We hope so. We know you all have some wonderful memories of Don. Even though my children and I didn't know him personally, we felt we knew him through Jerry and Polly. You all were so fortunate to have such a wonderful man in your lives.

God Bless You All.

Such a nice video presentation. I have been thinking of you, Molly, and your family so much these past few days. May God continue strengthening your family with peace and comfort during this time. Such a great joy to KNOW that he is with the Lord and all your loved ones gone on before. I keep thinking of all the Saints from First Baptist who have welcomed him home. Love Mary Reamer Wilson
