“ *We are sorry about Dora's death, but know it was a long, hard struggle for her. It is so nice that she was able to stay home during her long illness, and that she had family who cared for her. We have enjoyed being your neighbors for almost 40 years, and seeing our children grow up and go their separate ways. The Service was beautiful this morning. Clyde, we look forward to seeing you out in the yard, and hope you will come across the street for a chat once in a while.*
