“ *Kay, I am so sorry to hear of your Mothers passing. Our thoughts and prayers are with you and all of your family. She was always a special "Mom" during high school and always made me feel welcome in your home. It's hard to believe so many years have passed since the "good ol days". You are still a very special and cherished friend even though our paths rarely pass any more. I will never forget you or any of your special family. Cheryl Habig :}*

*I know how sad you both are. I can tell you that the pain will go away. It takes some time but in the near future you will be thinking of all the great things she gave you. You will both laugh and cry about the things you remember most about her. Although I did not know her she gave Pam and I Ric and Deb. How could I not love her as much as you guys do. Your days will get better I promise.*

*Always your friends*

“ To Doris' Family:

*I worked with Doris for several years. I really liked her. She was always so nice and fun to work with. I really missed her when she retired. I always enjoyed our associate nights of shopping, cause I knew Doris would be there sometime that day, and sure enough, she would show up and I got to visit again. I miss her already since it has been several months since I saw her at the store. She's a very special lady and we all, friend and family alike, are much blessed for knowing her. May God bless you all with many years of memories.*

“ Rick, Deb, Joe, Lizzy and Allie:

*We are so sorry for your loss. We have fond memories of watching and visiting with your mother/grandmother at sporting events. She was truly a beautiful person and always seemed to be so happy. We'll have to get together soon to celebrate the lives of a couple of wonderful mothers/grandmothers who are now in a much better place. What do you think the chances of our Gran and your Doris sitting together in heaven watching for basketball to start? We'd like to think they are good.*

*God Bless,
