“ *Don and family, we are very sorry for your loss. I have especially fond memories of your mom and your dad as a result of a once in a lifetime experience I had at a very young age. I recall vividly an occasion that she and your dad went hunting with my dad, Charles and I, and it may have been my first experience with hunting, yet I have vivid memories of that single occasion. She has always been a hero to me as a result of that day.*
