“ *Dorothy was an incredible woman and I'm lucky to have gotten the chance to get to know her so well over the last 10 years. Though we are family through marriage, she was my grandma at heart. One of my favorite memories is from Carson and my wedding where I officially became a Lilley. Picture below. I got a moment alone with Kenneth and Dorothy and I will always cherish that memory greatly. I will miss her dearly and know I speak for everyone when I say this world will not be the same without her in it.*
