“ *Dear Frank & Westley,  
Sorry to hear about Dorothy. Mark called me this morning and told me. We were in Topeka this past July and wish now that we had called or stopped to see you. I will always remember the years that we were neighbors on Market Street. Dorothy always had a smile and a laugh that won't be soon forgotten. You are in our thoughts and prayers.*

“ Frank and Wes, so sorry to hear about Dorothy. We worked together with State of Kansas, DISC, and had quite a time with the telecommunications billings. Hope she was able to do some of the things she was looking forward to in retirement. She will be missed by many.

*In sympathy,
