“ *I pray that God comforts each of you as you now go forward in life without her presence. But remember you may not have her physically here, but I know she will continue to watch over each and every one of you.*

"Those we have loved and cherished, and who have touched our lives in a profound way, are closer than we know. It is their bright light that shines on our world. It is the brilliance of their souls that makes our night sky glow. May peace shine down upon you all..."

“ *Dear Peggy, Lora, Brenda, Danny, Jody and families.*

I am so very sorry to hear about your mom. I know you must be heart broken. Please know you are in my thoughts and prayers. I am sending a card, but wanted you to know that I wish I was there right now. I am very happy I got to see her, and most of you, when we were at the hospital in July. It seems God planned that. Unfortunately, we tried to figure how we could make it out there and between my work and Bryn's back, just can't.

In love,

Carol
