“ Karen and family, I am so sorry to hear of Dubert's death. My memories go back to grade school through Topeka High School. I grew up with the twins with our backyards separated by the alley where many ball games, kick the can and other games were played. I was always so proud that I could tell Hubert and Dubert apart when the other kids in the neighborhood could not. Several years ago, after Dubert had retired, he stopped by after his game of golf to visit with me after some 50 years. It was great reminiscing of good times we had growing up together. Please know that my thoughts and prayers are with you.

“ Karen I am not sure if I ever met your husband or not. That's what happens to our memory. Just wanted to let you know that you and your family will be in Judy and my prayers. Seems like too many of our class are passing away.

“ To: Karen, Dave, Dean, Denise and Dan

Karen and I were saddened with the word that Dube has passed. We will long remember the good times we all had together as Dube displayed his talents as a devoted husband and father. We were together with Rick Lederer this week and talked of the many great experiences on and off the railroad with "Triple D". I said early in my career... "they don't come any finer than Dube... he was fair, honest, energetic (oh my, how energetic) and, from a leadership standpoint, knew about team players and teamwork long before it became a way of life for all organizations. Our thoughts and prayers are with the Didiers in your time of deep sorrow.

“ *My condolences to the family and sorrow for your loss. Mr. Didier touched so many more lives than could ever be imagined in a time when there was pride working for the railroad and it was not just a job. The fond memories I have of Dub's time, are the best of my entire career. I am sure he will be missed by those close to him.*

“ As the 60th THS reunion approached I thought about "the brothers," hoping that Dubert could attend.

I was saddened to learn of his illness; now his death is even more of a blow.

It sharpens my memories of these great guys and how they helped make growing up in Topeka such an unforgettable experience.

They were truly unique. Their families were so fortunate to have them as their husband, father, grandfather, and I expect, great-grandfather and, of course, uncle.

They are united again with our Lord, who must be pleased to see them together again.
