“ *Rest In Peace Dustin,
This was way too soon; I want to say my condolences to O'sheana,
Leslie, Braxton, Allie, Addilyn and to the rest of family. I am glad I
got to know you, you had a big heart of gold, there's nothing you
wouldn't do to help someone in need, you were proud of all your
children and loved them with all your heart, I know life was rough on
you but that never changed you being a great person. I know you
are the brightest angel in heaven because of all the love you carried
all your life for others, is now surrounding you in heaven.*

“ *Dustin,*

*My little brother who had a free spirt, big heart, giving, quick witted,
who loved to have fun and was definitely an Aries- Energetic,
impulsive, curious and direct. I watched over you ever since we
were young. I will always cherish our journey together through life
and I hope I supported you the way you needed it as any brother
should. I know you always did for me. An unwavering love for your
family especially your children and grandchild. I didn't want you to
go but God said it was time. I love you and I know you will always
be with me and watching over us now.*

Love, David

“ I've known Dustin for 20+ yrs. He was actually my ex boyfriends best friend. Dustin and I reconnected about 7yrs ago when he was incarcerated with my brother Joe. When he got out of jail he reached out to me to help me with some of my Brothers affairs that I was having trouble taking care of on my own. You see that's what kind of person Dustin was a great friend! Someone always there to help anyone that needed it! I could tell u several times he was there for me when I didn't have anyone. But that would take a while!!! He was a great friend to me. And he'll forever be loved and missed by me. I'll never understand why God takes the good ones so young. Dustin was definitely one of the good ones. He was a Great man that loved his kids. Until we see each other again RIP homie..😭💔

“ Of all three of us you taught me the meaning of this phrase,
*Everyman dies, no man really ever lives. And You did live. You lived
through good and pleasant times, And through times most would
give up, And through times that where impossible for everyone elsa
but you and you did it with that spark in your eye and that it's all
good grin I love you I miss you forever your friend, your brother,
your family*
