“ *Sharon, No matter when, no matter why, it is always tough. I like what Erma Bombeck said. "I don't want to show up with a pristine body, I want to slide in screaming "What a ride". Your mother did that. My prayers are with you all. Love, Ann*

“ *Sharon, Pat and family, I am so sorry for your loss. Thinking of your mom will always make me giggle. When I first moved in next door to her, my house was painted pink. She and I would chat and she'd always ask me, "Do you know your house is pink?" She would then tell me it made her bathroom pink because the sun would bounce the color in her window. She was a gem and I consider myself blessed to have known her. My thoughts and prayers are with you all. Love, Kate Soza*

“ Dear Tim, Elsa, Michael and the entire McGuire family,

Im terribly sorry to hear about the passing of your mother. You have a wonderful family and it is always terrible to lose the matriarch so my thoughts and prayers are with you and your family this week. You took wonderful care of her just as she took great care of you as a mother. God Bless you all and I am looking forward to seeing you soon.
