“ *I am saddened by loss of your loved one. The loss of a child is truly a tragedy. I too, have experienced the loss of a loved one. I have learned to turn to the bible for comfort and hope. My study of the bible has helped me to realize that God does care and he is not to blame for such tragedies. He does want us to look to him for comfort. According to 2Corinthians 1:3,4 God is Father of tender mercies and of all comfort, who comforts in all our tribulations. He wants us to be happy. He plans to satisfy the desire of every living thing. He knows that you desire to see your child again. For that reason he has provided the resurrection mentioned at John 5:28,29 and Acts 24:15. The resurrection gives all of us the hope of seeing our loved ones again. Please know that this will be accomplished by means of God's kingdom which is mentioned at Daniel 2:44, which states, ' . . .God will set up a kingdom that will never be brought to ruin. . . . and it itself will staid to times indefinite.' You can be confident that this will occur because Heb. 6:18 lets us know that it is impossible for God to lie. It is my hope that you are strengthened by these thoughts. May you read them from your own bible, meditate on them and gain faith in seeing your loved one again by means of the resurrection hope.*
