“ *Family members won't know me or my two friends from East Topeka Jr. High who counted Everett Noriega as a friend but I wanted you all to know that we have cherished our friendship with Everett (as he was known to many of us) these past 64 years. Three of us from those days who have kept up with Everett since then (one of whom is driving a car bought from him) were unable to attend the services because of infirmities or in one case an extremely important prior commitment; but may I say for all of us that we feel so very fortunate to have known Everett and we send our sincere condolences to each family member.*

“ I met Everett 34 yrs ago. During that time, we become friends. Had coffee played golf, or I would just stop by and talk. yes, I did buy cars from him, but that is not what is important. What is, is the way he treated everyone, as a friend, and caring person. He would always call at the Holiday time. To wish as the best, and just to see how we were doing. You will be truly be missed, and remembered. May Peace Be With You And Family My friend

“ To Lucille and Family, My deepest sympathy and prayers are with you. Ev and I became friends when he sold cars for C. Whitmarsh on E. 29th St. We were competitors on S. Topeka Blvd. for many years in the used car business. We sold both new and used cars for Kent Brown Chev. in the 70's. We always remained friends and I bought my last New Ford Pick Up from him. I will miss him along with everyone who knew him. God Bless His Family and I hope to talk old times with him again some day. Jim Henry
