“ *Edna was such a delight. A happy woman who was always ready with empathy, sympathy, or a good laugh, and maybe all three within a conversation...whatever the moment called for. A dedicated wife and mother, she loved her family passionately, and instilled within her children the love for others. Together, with husband Doug, she lived a life of purpose, kindness, and gratitude. Edna was a mentor to many by simply being Edna. The world is less without her, but her legacy lives on with her children and their children. We are so sorry for your loss, dear family. Edna's goodness will live on.*
