“ Dear Berry Family,
My prayers are for you. I pray peace and comfort for you. Bro. Berry was my buddy. He was always so nice, quiet but nice. He told me he had a good life and he didn't regret his life. The only thing he wanted was for Jesus to welcome him in. He was welcomed!!
Love you all

“ *Carla...my sister and dear dear friend. I don't even have to tell you what dad Berry meant to me. He was always so sweet, kind, and would do anything for anyone. God has truly called home an ANGEL! You know I love the entire family and am here no matter what time or day, just call. I know that you are hurting deeply but just remember that God makes no mistakes and we will see dad again one day.*

Much love and prayers.
