“ *Betty and Family,
You and your family are in my thoughts and prayers. I know from experience how difficult this disease can be, even though I am a survivor of 19 months there have been some difficult times along the way. Cherish all the memories that you and your family have, which I am sure is a lot. With deepest sympathy. If by some chance you don't recognize the name I am Gayle and Ann Cyr's daughter and Jane and Bill Liby's niece. God bless you all.
