“ *My sincere condolences to the family. I only met Ed a year ago, but I really enjoyed the time he spent pheasant hunting with us. I was looking forward to seeing him again in a few weeks. He truly was a "character" and I'm glad I got to meet him while he was here.*

“ *I went to school with Ed, he was two years behind me. I was in the same class with his brother Bob. I vividly remember his exploits in football at Hayden, he was a fierce competitor, and always played by the rules. I will miss him. My condolences to the family.*
