“ *John and Todd and family, we are saddened to hear about the passing of Eileen. Bob and her were very dear to our family and we will always remember them. They were the best neighbors who cared about everyone, shared their pool and love, and they were a big part of our kid's childhood. May God bless them both and grant them everlasting Life. May them rest in peace. With love, Bob and Betty Bloomquist.*

“ Hi to the loved ones of Eileen,

Saddened to hear the news from Kip Rockers Jewell of Eileen's transition from life to ever lasting life! We attended Sacred Heart and Hayden together. Even though the girls at Sacred Heart were close, I did not know that she came from such a large family. I remember she and Joan Hildebrandt Birk lived on the same block in Oakland. I got to visit with her and her husband at our High School reunion. I have fond memories of our school days together. May God continue to bless her on her new journey and those that she loved and those that loved her!

“ *John, Christine, Todd, Barbara, & families, I am so incredibly sorry for the loss of your beautiful Mom. I always enjoyed visiting her on my trips back to Topeka. Bob and Eileen were dear friends, they seemed larger than life. I have many wonderful memories. Tom & I cherish our wedding day memories celebrated with Bob & Eileen in Tucson. Nothing meant more to them than their Grandchildren. They were so proud of all of you, Brooke, Casey, Riley, & Brady. Beautiful little Eloisa will never get to know how amazing her Great Grandparents were. Sending love, hugs, and prayers to all of you*
