“ *Dear family
So very sorry to hear of Elaine's passing. Elaine and I worked together as secretaries at IBM eons ago. She was a wonderful lady. Always taking one of us under her wing ! She was so thoughtful- baking goodies for us at work and I shared several dinners at her house - I have thought of her fondly over the years. It was a pleasure working with her and being a friend.*

“ *Dear family members of Elain Roach.
Please accept my sincere sympathy on the passing of such a wonderful woman. I met Elaine back in 1973 when I joined IBM E.F. working as a secretary. Elaine was a super top-notch secretary and seemed to do eveything so quickly, efficiently and perfectly...a true perfectionist. Elaine would talk about her husband, her children and her trips to Schroon Lake. Her life sounded better than any TV program ever made. I always wondered what happened to Elaine and what she was doing all these years. I finally retired from IBM in 2003 and still live in Poughkeepsie.

My deepest sympathy to the Morel and Roach family,
....Tina Pulcastro*
