“ *Am very sadden to see Eleanor end her earthly journey. Was so fortunate to find Eleanor some 30+ years ago - like a granma - she took care of and treated my son and daughter like they were her own grandchildren! We still talk about the days at Eleanor's. Had the pleasure of watching her sons successful high school and college sports and witness the successes of all the kids in their individual careers THANK YOU Eleanor and Gordon for everything you did and are, you are a tremendous couple and may heavens blessings be with you both!!
